Importance: High

Hello everyone:

Please find attached a revised version of the RDX assessment (and the supplemental information) in redline form

Deliberative Process / Ex. 5

Deliberative Process / Ex. 5

Deliberative Process / Ex. 5

(thank you RDX team!). I am told that there are some formatting issues that are being fixed.

Deliberative Process / Ex. 5

Please watch your email for an invite (probably for Jan 25) for us to get together with Ken to discuss the few main issues (cancer descriptor and mortality data – and perhaps other items).

I hope that you all can take a look at the redlined text and charge and be ready to participate in the discussion.

If there are any problems with scheduling, let me, Vince or Gina know!
